Introduction: Prepare yourselves to receive the answer to the greatest question of anyone's life. King Solomon, the wisest mortal man to ever live, is pondering, for all to read, the final and ultimate conclusory answer, to the mental quizzing of all mankind: *"What is the ultimate answer, for all eternity, for my personal life?"* King Solomon, with all of his God-given wisdom responds to every human being with these inspired words:

*"Fear God and keep His commandments: for this is the whole duty of man.
For God shall bring every work into judgment, with every secret thing, whether it be good, or
whether it be evil"*

Now, we have our answer so let's break it down with this lesson:

1. Deut. 6: 4-5. Fear God.
2. Josh. 1: 8. Keep His commandments.
3. Phil. 2: 15. This is your entire or complete duty.
4. Heb. 13: 4. Because of the judgment.
